

**St Ives North School Song**  
**Learn to Live**

Verse:

Trees and birds and fields of green  
Rooms of learning, students keen  
Teachers guiding, enlightening with great care  
In an atmosphere of trust we can share.

Chorus:

Learn to Live  
Says our school motif.  
We are proud of our school and all that it gives.  
Peace and content, seen in all students,  
Going forth St Ives North  
Strive and give  
Learn to live.
