

## HOW DO I ACCESS QUICKWEB?

A **Pay Online** link will be placed on the front page of the school's Website. By selecting the **Pay Online** link you will be taken to a secure Westpac QuickWeb payment page. You will no longer be in the school's website.

There are no passwords or PINs to remember.

The payment process is intuitive and follows the format of many other online payments that you may use every day.

## HOW DO I MAKE A PAYMENT?

From the initial Westpac QuickWeb page payers will complete the necessary details, some of which are mandatory (**marked with an \***), before confirming the payment details and completing the payment. A receipt can be printed from the payment page and/or be emailed to the payer.

The Westpac QuickWeb payment screens are:

1. Entering payment details
2. Entering credit card details
3. Confirmation of payment details and
4. Online Payment Receipt.

### 1. Entering payment details

The first Payment Details screen captures the student and payment details. This is in order for the payer and the school to identify the student that the payment applies to and what the payment is for. *This is critical to ensure that the right student is credited for the right items.*

**Student Given Name, Surname and Date of Birth are mandatory.**

If you know your child's class please include this also.

The payment details should come from the school Statement of Account or Term Account that the school issues. There can be more than one payment line for all items except voluntary school contributions. These items are;

- Voluntary school contributions (1 payment line), use this for general contributions or donations;
- Subject contributions (up to 10 payment lines), use this for contributions for specific subjects e.g. Visual Arts, Industrial Technology, etc;
- Excursions (up to 5 payment lines), use this for specific excursions e.g. Zoo; Opera House, etc.;
- Sport (up to 5 payment lines), use this for any sporting activities e.g. carnivals and weekly sport activities, etc.;
- Creative & Practical Arts (up to 5 payment lines), use this for drama, dance, craft levies, etc.;
- Sales to Students (up to 5 payment line) use this for anything purchased by a student that becomes the property of the student;
- Other (up to 5 payment lines) this may be used for paying total amounts owed by a student e.g. complete student invoice/statement of account.

IF YOU ARE UNSURE OF WHICH BOX TO CHOOSE PLEASE CONTACT THE SCHOOL  
AND ASK FOR CLARIFICATION.

**When any option is chosen by selecting the tick box, it is mandatory to include both a payment description and payment amount. Deselect an option by checking the tick box again.**

## **FREQUENTLY ASKED QUESTIONS**

### **Why do I need to enter Date of Birth?**

In some schools there are students with the same name in the same class or year. The date of birth assists the school in distinguishing which student the payment relates to.

Note: date of birth is not required if class or year AND an invoice number are entered for a student. Some schools choose to issue invoices, others do not.

### **Why do I have to enter the student's details each time I make a payment, isn't it stored in the system?**

When you make a payment you are in a secure Westpac website, for privacy and security of data no student details are maintained within the Westpac site. You must enter the details with each payment.

### **The screen keeps displaying the data I have just completed, it is not moving on?**

Scroll through the whole screen, any errors will be shown in RED, you cannot progress until you resolve the error.

### **I don't know the student registration number, what is it?**

The student registration number is **optional**, if the school issues invoices the number may appear on the invoice. Some schools use this on advice to parents, but not all schools.

### **What is the Ref or Invoice number, I don't know it?**

The ref or invoice number is **optional**. Some schools use this on advice to parents, but not all schools.

### **Why can't I deposit directly to the school's bank account?**

A direct deposit does not give the school any detail as to what you are paying for. The description space varies from bank to bank and is limited so the students name and class may not fit. Schools can have students with the same name and it is difficult to distinguish which student the payment relates to.

### **Why can't I use BPay?**

BPay only allows a total amount to be paid, payers are not able to select particular items to pay.

### **I don't want the school to see my credit card details**

The credit card details are masked on any reports to the school. e.g. 411111xxxxx4111

### **Can I use a debit card or PayPal for payments?**

Payments can only be made using Visa or MasterCard credit or debit cards. American Express, Diners Club or EFTPoS cards are not accepted. PayPal is not a payment option using this process.

Cheque, Visa or Mastercard payments can be made also at the office with a Term Account envelope.

### **I have made a payment in error, how can I cancel it?**

Contact the school and request that they cancel the transaction. This can be the same day that the transaction was processed or at a later date.

### **If I select Pay Online on the school's website and the screen does not change who should I contact?**

Contact the school office and request to speak to the School Administration Manager.

### **I haven't used online payments before, is it difficult?**

The payment process has been developed to be very user friendly. It follows the format of many other online payment screens that you may have used.

## **PAYING FOR MULTIPLE STUDENTS**

When paying for more than one student the "*Make Another Payment*" option should be selected on the Online Payment Receipt screen.

There is no option to add multiple students to a single payment as the details on the initial screen relate to one particular student only.

You can still make payments in the usual manner i.e. at the school office using cheque, Visa and Mastercard details on the Term Account envelope.

## **SESSION TIMED OUT**

If you are delayed in making a payment you will be logged out of the session and the following screen will be displayed:

## **Payment Session Expired**

Your session has expired. If you still wish to make a payment you can return to the start of the payment process and try again.
